1<sup>st</sup> January 2019

Dear Figtree residents,

Premier On-demand in conjunction with Transport for NSW have been conducting a trial of on demand services in the Figtree area for the past 12 months. We at Premier Illawarra appreciate the public's response and wish to extend our gratitude to each of those customers who have made use of the service during this time.

Moving forward, we regret to inform you that the Premier on Demand trial in the Figtree area has not been extended therefore will cease operation on **Friday the 11<sup>th</sup> of January 2019.**

We understand that this may be disappointing to the residents of Figtree, especially those who have used the service on a regular basis. We would like to take this opportunity to thank you for your support during the trial period.

If you would like any clarification on the conclusion of the trial, our POD team would be happy to answer your questions.

Kind regards,  
The POD team
